

Steps for a new amateur radio license.

1. Go to the FCC CORES (Commission Registration System) site

<https://apps.fcc.gov/cors/userLogin.do>

2. Click Register in the box labeled "Need a Username"
3. Fill out the requested fields with your personal information
4. Click Create Account
5. Confirm your email address by a code number emailed to you.
6. At the CORES page register for an FRN (Federal Registration Number).

<https://apps.fcc.gov/cors/html/RegisterNewFRN.htm>

7. You should immediately receive an FRN by email.
8. Bring the assigned FRN number, your identification and a check for \$15 to the licensing session. There you will fill out Form 605 which will be processed by the examination team.
